

THE STRATEGIC & LONG-RANGE PLANNING DEPARTMENT provides support for existing and prospective businesses and developers and coordinates referrals to appropriate county departments.

WE MEET with developers and businesses to expedite and facilitate development processes, procedures, and other related matters in the county and assist them with complying with all local codes.

OUR DEPARTMENT confers with the Board of Commissioners and the County's

Development Authority on development activity and other related issues, and assists in business and industrial park infrastructure planning.

THE DIRECTOR evaluates development proposals and infrastructure improvement plans; assists with cost/benefit analysis; and coordinates compliance with the comprehensive plan and other strategic & long-range plans adopted by the Board of Commissioners.

OTHER AREAS the department is involved in include developing and amending the county comprehensive plan and participating on regional planning organizations and committees.

WE ALSO ASSIST the Board of Commissioners with coordination of the county's land use plan, water, wastewater and transportation master plans, and coordinate maintenance and administration of the unified development code.

WE SERVE AS LIAISON regarding the development of strategic planning, transportation planning, service delivery strategy, and the Future Land Use Plan with:

- *Businesses*

- *Developers*
- *Chambers of Commerce*
- *Regional Planning Commissions*
- *Local Governments*
- *State Agencies*
- *Community Organizations*
- *General Public*
