Reports:

Info: BUDGET REVIEW BY DR. BURNETT

Dr. Burnett presented the number of patients served in the last twelve months along with a breakdown of those services. He moved on to explain the budget as pretty much a maintenance one for the upcoming fiscal year, apart from, adding as we need to in Environmental Health. There was some discussion about the HIV program and the importance of testing everyone. No questions about the budget. Flynn Warren motioned to approve the budget as submitted, and second by Dr. Mark Thomas. All were in favor.

Info: ENVIRONMENTAL HEALTH PRESENTATION BY KELI HINSON

Keli passed out information about Environmental Health including their standard calendar report of activities for the year. She discussed in detail the different services offered by Environmental Health concentrating on Septic Systems, Food Service Program, Rabies prevention, Swimming Pool Program, Tourist Accommodation Program, Private Water Supplies, Tattoo Establishments, Childhood Lead Program, and Mosquito Surveillance. Mark Thomas mentioned the county is considering increasing the minimum lot size for individuals.

Info: DOHC

Dr. Burnett spoke about the growing population of DOHC among our counties, and he mentioned how one can go to any clinic in our district no matter which county they reside in.

No further business, meeting adjourned.

Respectfully submitted,

Flynn Warren, Secretary
