

## **Another Successful Adoption ~ Max**

A note from Max's new family:

“Max did great! He met Bella and Boogie with no drama. He actually likes Boogie (a male Jack Russell Terrier) more than Bella. He's claimed lots of balls, and also claimed the stairs to the pool. He jumped right in and laid on the stairs and decided that's his favorite spot!

He loved the babies. We are saving the meeting with the cat for tomorrow. He's whining at the bed wanting a spot right now. So far he's fit in amazingly well.”

“Here's a pic of our new lifeguard . . .”
